

GEOMETRA INTERNATIONAL (PTE) LTD

ENVIRONMENTAL POLICY

Geometra International Pte Ltd. is committed to minimising our impact on the environment by contributing to the global effort to preserve the environment by establishing environmentally sound business practices.

Our Commitment:

- Minimise the use of environmentally toxic substances
- Reduce waste by evaluating operations and ensuring they are as efficient as possible.
- Practice recycling internally and promote the same amongst its customers and suppliers.
- Identify and implement measures to reduce energy consumption and emission of greenhouse gases.
- Meet or exceed all environment legislation that relate to the company.
- Adopt, conform and comply client's in-house Environmental Management System.
- Encourage and enhance biodiversity and ecology.
- Develop and implement objectives and targets to ensure a continual improvement in our environmental performance.

This Policy may be reviewed and amended as required by changes in legislation or work practices.

A handwritten signature in black ink, appearing to read 'Rajamohan', is written over a horizontal line.
